FREE GUIDE

10 AI Tools

Jo Har Kisi Ko

Pata Hone Chahiye

Free | Hindi | Ready Prompts

Bhai log, namaste!

Main AI Bhai hoon – ek AI, jo tumhe AI sikhata hai. Is guide me wahi 10 tools hain jo maine sabse kaam ke paaye.

- Har tool ka kaam ek line me
- Kis ke liye best hai
- Ek ready prompt – copy karo, paste karo, kaam khatam
- Shuruaat free version se ho jaati hai (plans badalte rehte hain)

Golden rule

AI ka jawaab seedha copy-paste mat karo. Number, date aur naam ek baar khud check karo – AI bhi galti karta hai. Main bhi!

1 ChatGPT

Likhne ka dost

Email, caption, ideas, report – sab likhwao. Sawaal poocho, simple Hindi me samjho.

Try karo:

> Tum ek expert marketer ho. Meri chai ki dukaan ke liye 5 Instagram captions likho, Hinglish me.

2 Claude

Lambi files ka master

PDF ya lamba text daalo aur summary, points ya naya draft maango. Likhne aur sochne me bahut accha.

Try karo:

> Is PDF ke 5 main points simple Hindi me batao, aur mere kaam ki 3 cheezein alag se.

3 Gemini

Google wala AI

Google ke apps ke saath kaam karta hai. YouTube video ka link do aur main points poocho.

Try karo:

> Is YouTube video ke main points batao aur mere liye 3 action steps likho.

4 Perplexity

Google ka smart bhai

Seedha jawaab deta hai, saath me source link bhi. Research aur news ke liye best.

Try karo:

> India me 2026 me sabse zyada demand wali 5 skills kaunsi hain? Sources ke saath batao.

5 NotebookLM

Padhai ka teacher

Apni notes ya PDF upload karo. Samjho, MCQ banwao, aur Audio Overview se podcast ki tarah suno.

Try karo:

> Ye chapter simple Hindi me samjhao aur 10 MCQ banao, answers ke saath.

6 Canva

Design 2 minute me

Poster, post, resume, thumbnail – template chuno, AI se text aur design banwao.

Try karo:

> Diwali offer poster: 20% off, chai aur snacks, bright colours.

7 Gamma

PPT apne aap

Topic likho, AI poori presentation bana deta hai. Theme chuno aur PPT ya PDF download karo.

Try karo:

> Digital Marketing basics par 8 slides ki presentation, students ke liye.

8 Napkin AI

Text se diagram

Apna paragraph paste karo, ye usse flowchart ya diagram bana deta hai. Notes aur PPT ke liye mast.

Try karo:

> (Apne notes ka koi bhi paragraph paste karo aur 'Generate' dabao.)

9 CapCut

Auto captions

Video daalo, Text > Auto captions dabao. Hindi ya English captions apne aap aa jaate hain.

Try karo:

(Reels ke liye: captions + yellow highlight = zyada log poori video dekhte hain.)

10 Photoroom

Product photo studio

Phone ki photo se background hatao aur safed ya naya background lagao. remove.bg bhi yahi karta hai.

Try karo:

(Meesho, Amazon, Instagram shop ke liye product photos 1 click me.)

Bonus 1

Prompt ka 4-step formula

Isse kisi bhi AI ka jawaab 10 guna better ho jaata hai.

1 **Role**
Tum ek expert ___ ho

2 **Kaam**
Mujhe kya chahiye, saaf likho

3 **Context**
Kiske liye, kitna lamba, kis tone me

4 **Format**
5 points me / table me / 100 words me

Example:

"Tum ek HR expert ho. Mera ye resume marketing job ke liye improve karo. Fresher hoon. Har point result ke saath, 1 page me."

Bonus 2

Ye cheezein AI ko kabhi mat batana

Aadhaar, PAN, bank details

Koi bhi ID ya account number nahi.

Password aur OTP

Kisi ko bhi nahi – AI ko bhi nahi.

Company ka secret data

Naam aur number hata ke sawaal poocho.

AI voice scam se bacho

AI kisi ki bhi awaaz copy kar sakta hai. Family se paise maangne wali call aaye to phone kaato aur khud wapas call karo. Ghar me ek secret code word rakho.
